CONDITIONS: Windjammer Marina agrees to extend its effort to sell above described merchandise beginning on above date and continue to do so for a period of _____ without storage charges. If merchandise is not sold within that period, a storage charge of one dollar per day will prevail until the merchandise is sold or other arrangements are made. Such storage charges are not deductible from the proceeds of the sale.

It is desirable that registration and/or title papers indicating ownership of merchandise be in possession of the marina until merchandise is sold. Such papers shall be returned to the owner in the event of no sale or cancellation of this agreement. This agreement may be cancelled at any time at the seller's request and merchandise removed from marina property. The marina may cancel this agreement at any time it determines the boat is not marketable. The seller is responsible for keeping insurance on the merchandise. Any special advertising for sale of merchandise shall be done at owner's request and expense.

WATER TESTING: Should a prospective buyer wish to water test merchandise, a commissioning fee (if the boat is not water ready) will prevail, and must be paid by the seller upon receipt of the bill.

NOTE: The marina shall make every effort to determine sincere interest of prospective buyer prior to any water testing. Should merchandise fail to operate properly, owner will be notified.

LISTING AND INSPECTION FEE: A non-refundable \$250 listing and inspection fee is required. This fee includes an inspection by the Windjammer Marina Service Department. The owner will be notified of any repair work needs identified during the inspection. It will be at the owner's discretion to proceed with any repairs prior to listing the watercraft at the owners expense. Windjammer Marina can refuse listing the watercraft if it is determined during the inspection that the watercraft in unsaleable.
